

CURRICULUM VITAE

PERSONAL DATA

Robert L. Pincus, M.D.

Address:

36A East 36 Street
New York, N.Y. 10016

Telephone: (work) (fax) (e-mail)

212-889-8575
212-686-3292
RobertPincusMD@NYSinuscenter.com

Date of Birth:

November 25, 1952

Place of Birth:

Brooklyn, New York

Citizenship:

United States

PRESENT POSITION:

Private Practice
New York Otolaryngology Group
1993-present

Associate Professor
Department of Otolaryngology
New York Medical College
1983-present

Lecturer
Department of Otolaryngology
Mount Sinai College of Medicine
1991-present

Director Vocal Dynamics Laboratory
Beth Israel Medical Center
1993-1998

Member Dysphagia Team
Beth Israel Medical Center
1993-1998

Attending Head and Neck Teaching

Service

New York Eye and Ear Infirmary 1983-1995

PRIOR POSITION: Director Department of Otolaryngology-
Head and Neck Surgery
Lincoln Medical and Mental Health
Center 1983-1993

Director Head and Neck Service
New York Eye and Ear Infirmary
1988-1993

Director Combined Departments of
Otolaryngology-Head and Neck
Surgery
Lincoln and Metropolitan Hospitals
1992-1993

Vice Chair
Department of Otolaryngology
New York Eye and Ear Infirmary-
New York Medical College
1992-1993

EDUCATION:

College: State University of New York, Albany
B.A. - Summa Cum Laude - 1973

Medical School: University of Michigan, Ann Arbor
M.D. - 1978

Internship: Lenox Hill Hospital, New York, N.Y.
General Surgery - 1978-1979

Residency: Mount Sinai School of Medicine
New York, N.Y.
Department of Otolaryngology
1980-1983

LICENSURE: New York State # 138585
California # G47769

CERTIFICATION: Diplomate, American Board of
Otolaryngology-Head and Neck
Surgery November, 1983

TEACHING EXPERIENCE: Director of Otolaryngology
Department

Full-time supervision of three
otolaryngology residents
N.Y. Medical College 1983-1993

Instruction of medical students and
surgery residents on clinical rotations
N.Y. Medical College 1983-1993

Preceptor of family practice residents
New York Medical College 1989-1993

Preceptor of family medicine residents
Bronx Lebanon Hospital 1988-1993

Preceptor of primary care residents
New York Medical College 1994-
present

Teaching physical diagnosis of the
head and neck- part of physical
diagnosis course New York Medical
College, 1983-1993

Teaching head and neck anatomy
part of basic science anatomy
New York Medical College, 1983-1993

ACTIVITIES: Consultant in Otolaryngology
Occupational Medicine Clinic
Department of Environmental Medicine
Mount Sinai School of Medicine
1981-1983

Member, Chief Residents Committee
Mount Sinai School of Medicine
1982-1983

Course in American Sign Language
New York Society for the Deaf

Course Director
Otolaryngology for the Primary Care
Physician
1985, 1986, 1987

Director, Department of Otolaryngology
Bird S. Coler Hospital, 1985-1986

Physician's Recognition Award
American Medical Association
1986, 1989, 1993, 1997

Continuing Medical Education
Achievement
Award—American Academy of
Otolaryngology
Head and Neck Surgery 1993

Co-investigator of F.D. A. approved
research on laryngeal stimulation in humans

Director Speech and Hearing Center
St. Barnabas Hospital
1987-1989

Director Vocal Dynamics Laboratory
New York Eye and Ear Infirmary
1988-1993

Course participant - Ishikii Thyroplasty
New Haven, 1988

Course participant- Microvascular
Surgery
for Head and Neck Surgeons
1989

Course participant- Microdebrider and
Advanced Frontal Sinus Surgery
for the Endoscopic Sinus Surgeon
Pittsburgh, 1996

Attending Otolaryngologist
Pediatric AIDS Clinic
Lincoln Hospital 1989-1993

Peer reviewer of Otolaryngology related
journal submissions for Chest, 1995-
present

Peer reviewer of pediatric
otolaryngology journal submissions for
Laryngoscope, 1994-present

Co-director C.M.E. conference,
Powered Nasal Endoscopy- The Next
Revolution in Sinus Surgery-Beth Israel
Medical Center May, 1997, New York,
N.Y.

Director Division of Otolaryngology, St.
Barnabas Hospital, Bronx, N.Y., 1998-
present

Consulting Laryngologist, New York
Chamber Opera Company, 2002 -
present

MEMBERSHIPS: American College of Surgeons- Fellow

American Academy of Otolaryngology-
Head and Neck Surgery- Diplomate

American Society for Head and Neck
Surgery- Fellow

American Academy of Facial Plastic
and
Reconstructive Surgery- Fellow

American Broncho-esophagologic

Association

Physicians for Social Responsibility

Physicians for Reproductive Health

New York Head and Neck Society

Executive Committee of Medical Board
Lincoln Hospital, 1983-1993

Faculty Senator, New York Medical
College
1984- reelected: 1986, 1988, 1990,
1992

Medical Coalition for the Homeless

Committee on Public Relations and
Education
American Society for Head and Neck
Surgery
1988-1991

American Rhinologic Society-Fellow

Pan- American Society of
Otolaryngology-
Head and Neck Surgery

American Diopter and Decibel Society

American Auditory Society

Society of University Otolaryngologists-
Head and Neck Surgeons 1988-1993

Executive Committee of Medical Board
New York Eye and Ear Infirmary
elected- 1991-1994

Executive Committee of Medical Board,
Beth Israel Medical Center, N.Y., N.Y.
Elected 1994, 1996, 1998

Society for Ear Nose and Throat
Advances in Children

Association of Physicians in AIDS
Medicine

PRESENTATIONS: “Occupationally Related Noise-Induced
Hearing Loss” to Department of
Environmental Medicine, Mount Sinai
School of Medicine, 1982.

“The Immotile Cilia Syndrome” to
Department of Environmental Medicine
Mount Sinai School of Medicine, 1982

“Primary Adenomatous Lesions of the
Middle Ear” to The American
Laryngological Rhino-
logical and Otological Society, Eastern
Section, January, 1983.

“Septal Lesions Associated with
Maculopapular Skin Lesions” Poster
Presentation, American Academy of
Otolaryngology, October, 1985.

“Smoking and Head and Neck Cancer”
to Otolaryngology for the Primary Care
Physician, September, 1985.

“Tonsillectomy and Adenoidectomy”
Otolaryngology for the Primary Care
Physician, September, 1986.

“Neck Masses in Children and Adults”
Otolaryngology for the Primary Care
Physician, September, 1986.

“Aspirated Hypodermic Needles - An
Unusual Endobronchial Foreign Body”
to American Broncho-Esophagological
Association, April, 1987.

“Animal Bites of the Head and Neck”
Poster Presentation, American
Academy of Otolaryngology,
September, 1987.

“Medical and Surgical Care of the
Patient with Acquired Immune
Deficiency Syndrome”
to the combined medical staff of United
Hospital, Johnson City, N.Y.
December, 1987.

“Tonsillectomy and Adenoidectomy for
Airway Obstruction in a Child with
Pediatric Acquired Immune Deficiency
Syndrome” Poster Presentation to the
American Society of Pediatric
Otolaryngology, April, 1988.

“A.I.D.S. and the
Bronchoesophagologist”
to the American Broncho-
Esophagological
Association, April, 1988.

“Head and Neck Cancer in Young
Adults” to
the New York Eye and Ear Infirmary
Alumni
Meeting, June, 1988.

“Orbital Decompression - The
Transantral
Approach” to the New York Eye and Ear
Infirmary Alumni Meeting, June, 1988.

“Emergency Adenotonsillectomy for
Relief of Upper Airway Obstruction in
Children” to Society for Ear, Nose and
Throat Advances in Children, Annual
Meeting, December, 1988.

“Facial Plating for the Otolaryngologist”
to the New Jersey Academy of

Otolaryngology December, 1988.

“A.I.D.S. and the Otolaryngologist” to the New Jersey Academy of Otolaryngology December, 1988.

“Continued Alcohol Intake in Patients Hospitalized with Head and Neck Cancer” to The American Laryngological, Rhinological and Otolaryngological Society, Eastern Section, January, 1989.

“AIDS and the Otolaryngologist” Grand Rounds to Otolaryngology-Head and Neck Surgery Department, Long Island College Hospital-Downstate Medical Center, February, 1989.

“Acquired Immunodeficiency Syndrome” Grand Rounds to the Department of Dentistry, New York Medical College, March 1989.

“Otitis Media” Grand Rounds to the Department of Community Medicine St. Vincent’s Hospital and Medical Center April, 1989.

“Delayed Airway Obstruction and Neck Abscess Following Manual Strangulation Injury” to the American Broncho- Esophagological Association, April,

1989.

“Head and Neck Manifestations of the Antley- Bixler Syndrome” to the American Society of Pediatric Otolaryngology, May, 1989.

“Otologic Manifestation of AIDS” Poster Presentation to the American Academy

of Otolaryngology-Head and Neck Surgery, September, 1989.

“AIDS and the Otolaryngologist” to the Department of Otolaryngology, Mount Sinai Medical Center, September, 1989.

“Synovial Cell Sarcoma of the Head and Neck” to the American Laryngological, Rhinological and Otological Society, Eastern

PRESENTATIONS: Section, January, 1990
(continued)

“Medially Based Horizontal Naso-labial Flaps for Reconstruction of Columellar Defects” to the American Academy of Facial Plastic and Reconstructive Surgery, Eastern Section January, 1990.

“AIDS and the Otolaryngologist” Grand Rounds to the Department of Otorhinolaryngology and Human Communication, Hospital of the University of Pennsylvania, June, 1990

“Otolaryngologic Manifestations of Child Abuse” to the American Academy of Otolaryngology-Head and Neck Surgery, Annual Meeting, September, 1990.

“Needle Aspiration of Diffuse Cervical Adenopathy in Patients with AIDS” to the American Academy of Otolaryngology-Head and Neck Surgery, Annual Meeting, September, 1990.

“Head and Neck Cancer- the Lincoln Experience” to American Cancer Society Conference on Cancer in the South Bronx

January, 1991.

“Otologic and Neurotologic Manifestations of HIV-Related Disease” to American Diopter and Decibel Society, Annual Meeting, January, 1991.

“Gradenigo’s Syndrome Secondary to Aspergillus Mastoiditis in Patient with Human Immunodeficiency Virus” Poster Presentation to American College of Physicians, Eastern Section, February, 1991.

“Newer Techniques in Laryngology” The New York Eye and Ear Infirmary Alumni Meeting, May 1991.

“New Guidelines for Testing Infants at Risk for Hearing Loss” instructional course American Academy of Otolaryngology-Head and Neck Surgery Annual Meeting, September, 1991

“Otologic and Otoneurologic Manifestations of HIV Infection” poster presentation, American Academy of Otolaryngology-Head and Neck Surgery Annual Meeting, September, 1991.

“AIDS Associated Lymphoma of the Paranasal Sinus” to the American Laryngological, Rhinological and Otological Society, Eastern Section, January 1992.

“Anosmia in HIV Infection” Poster presentation, American Academy of

Otolaryngology-Head and Neck
Surgery annual meeting, September,
1992.

“New Guidelines for Testing Infants at
Risk for Hearing Loss” instruction
course, American Academy of
Otolaryngology-Head and Neck
Surgery annual meeting,
September, 1992.

“Asymptomatic Congenital Syphilis and ABR”
presented to the Society for Ear, Nose
and Throat Advances in Children,
annual meeting December, 1992.

“Children at Risk for Hearing Loss” to
conference on Pediatric Audiology,
N.Y., N.Y. October, 1993.

“Head and Neck Manifestations of
Gastro-esophageal Reflux” Grand
Rounds, Department of
Gastroenterology, Beth Israel Medical
Center, New York, November, 1994.

“Acute and Chronic Sinusitis” at New
York Family Practice Review and
Update, Albert Einstein College of
Medicine, June, 1995.

“Pediatric Airway Obstruction” Grand
Rounds, Department of Pediatrics,
Beth Israel Medical Center, New York,
April, 1996.

“Medical and Surgical Treatment of
Sinusitis”
Grand Rounds, Department of
Community Medicine, St. Vincent’s
Hospital and Medical
Center, New York, October, 1996.

“Sinusitis in H.I.V. Infection” Grand

Rounds, Department of Otolaryngology,
Albert Einstein College of Medicine,
New York, December, 1996.

“Sinusitis in H.I.V. Infection” to
conference Powered Nasal Endoscopy-
The Next Revolution in Sinus Surgery,
New York, NY May, 1997.

“The Role of Endoscopic Sinus Surgery
in Patients with the Acquired Immune
Deficiency Syndrome” to American
Rhinologic Society Annual Meeting -
C.O.S.M., Phoenix, AZ, May 1997.

“New Trends in the Diagnosis and
Treatment of Sinusitis” Invited Lecturer
to New York Academy of Family
Physicians Annual Meeting, Rye
Brook, NY, July, 1997

“Chronic Sinusitis- A Primary Care
Perspective” Grand Rounds,
Department of Community Medicine, St.
Vincent’s Hospital and Medical Center,
N.Y., N.Y., January, 1998

“Ear Infections for the Primary Care
Physician” Grand Rounds, Department
of Community Medicine, St. Vincent’s
Hospital and Medical Center, N.Y., N.Y.,
August, 1998

“Ear Infections for the Primary Care
Physician” Grand Rounds Department
of Family Medicine Beth Israel Medical
Center, N.Y., N.Y. December 1998

“Newer Treatments for Patients With
Sinusitis” Grand Rounds Department of
Internal Medicine, St. Clare’s Hospital,
N.Y., N.Y., December 1999

“Sinusitis for the Primary Care

Physician-2000” Grand Rounds
Department of Community Medicine,
St. Vincent’s Hospital, N.Y., N.Y.,
January 2000

“Sinusitis and Reflux; Are They
Related?” to American Rhinologic
Society, Combined Otolaryngologic
Spring Meeting, Orlando, Fl., May, 2000

“Allergic Fungal Sinusitis” Grand
Rounds, Department of Allergy and
Immunology, Long Island College
Hospital, Brooklyn, N.Y.
December 2001

“Sinusitis” Grand Rounds, Department
of Family Medicine, St. Vincent’s
Medical Center, New York, NY,
January 2002

“Acute Otitis Media- The Observation
Option” Grand Rounds to the
Department of Pediatrics, St. Vincent’s
Medical Center, New York, NY,
April 2004

"Fungal Sinusitis" Grand Rounds,
Department of Allergy and Immunology,
Long Island College Hospital,
Brooklyn, N.Y. August 2005

"Sinusitis- newer thoughts on
pathogenesis and treatment" Grand
Rounds to Department of Community
Medicine, St. Vincent’s Medical Center,
N.Y. N.Y. April, 2006

"Evidence Based Treatment of Otitis
Media" Grand Rounds, Department of
Family Medicine, Columbia
Presbyterian Medical Center, May 2006

“Fungal Sinusitis- 2007” Grand Rounds,

Department of Allergy and Immunology
Long Island College Hospital
Brooklyn, N.Y. January 2007

“Sinusitis- update 2007” Grand Rounds
to Department of Community Medicine
St. Vincent’s Medical Center, N.Y., N.Y.
March, 2007

NON-MEDICAL MEDIA

“Sinusitis” on Today in New York-
WNBC TV January, 1997

“Sinusitis” on The Today Show - NBC
TV February, 1997

“Sinusitis and Sinus Care” on Good
Day New York- Fox TV, March, 1997

“Sore Throats” on Fox on Health - Fox
News Channel, December 1997

“Anosmia” on Fox on Health - Fox
News Channel, March 1998
